

Paper Topic Worksheet 2
(Start with the Question Marked 1)

4. To what scholarly or public issue, problem, or question does your paper contribute? In other words, what will your paper help us understand better?

1. What is the topic you want to explore?

2. What question does your paper seek to answer or address?

3. What type of evidence or sources will you need in order to come to a conclusion or take a position?
